A Note from the Principal

Dear Parents,

Happy New Year!

We welcome a new batch of P1 and transfer-in students to SGPS. With the strong support and guidance of the teachers and P5 buddies, the P1 boys have adjusted well and are off to a good start. We would like to thank the many P1 parents who accompanied the boys to school on the first day and look forward to working closely with all our parents.

As we continue our journey of nurturing our boys into Leaders, Sportsmen and Achievers, we have adopted the theme of “We are one Gabrielite Family” for 2023. We hope that it will motivate everyone to care for each other and go forward together to learn and grow in the new year. We envision SGPS to be more than just a school and be like a second home for the boys where they feel safe and happy.

We are pleased to share that our P6 cohort did well in the PSLE 2022. Every student has progressed to the next stage of their education. We improved on the 2021 results for several subjects including the overall achievement level score which surpassed the national average. We are proud of the boys who journeyed through the two years of pandemic and showed much resilience to achieve good results.

In line with our emphasis on fostering good parent-teacher relationship, the first of two Parent-Teacher Meetings for this year will be held on 2 and 3 Feb. This will be the first face-to-face meeting in two years. The second meeting scheduled in July will be online via zoom. We hope this year's blended model will serve us well in enabling a face-to-face meeting while continuing to enjoy the convenience of online engagement.

There is much for everyone in the Gabrielite family to look forward to in 2023. Besides the whole host of programmes and activities to provide for the holistic development of our boys, the Gabrielite schools will be celebrating our 70th anniversary. We will keep you updated on the upcoming celebratory events which we hope will spur our boys towards greater achievements this year. Let's work together in partnership for our boys.

School Security & Safety Matters

For the safety and security of the staff, students and visitors to the school, we seek your cooperation to adhere to the following measures at all times:

Security in the School

1. All visitors must register at the security counter located just after the main school entrance before reporting to the General Office for assistance.
2. Please wear the visitor pass or display the security sticker prominently at all times when you are in the school premises.
3. If you wish to pick up your child early from school before the end of the school day, please proceed to the General Office for assistance.
4. Please refrain from walking around the school compound. Should you require any assistance regarding student matters, do approach the General Office staff.

Safety in the School (Carline)

1. Cooperate with staff on duty to ensure overall safety and smooth traffic flow.
2. Reduce vehicle speed (max. 15km/hr) and stay alert for pedestrians in the school compound.
3. Drop off your child at the designated drop-off point only (see [Annex A](#) on Page 4).
4. Drop off or pick up your child on the side nearest to the kerb as quickly as possible. Do not alight from the car to assist your child as our staff on duty will be able to do so.
5. Do not wait or park at drop-off points at all times. Wait at the temporary waiting area if your child is not ready (see Annex A). Turn into the foyer again when you see your child. Do not allow your child to cross over to the temporary parking area.
6. Do not sound the horn indiscriminately.
7. Upon exiting the school, vehicles are to turn left only (do not make a U-turn and refrain from turning right).
8. Proceed with caution when turning right into the school from Braddell Road.

School Security & Safety Matters (cont'd)

Safety in the School (Walkline)

1. Observe appropriate road safety behavior such as using pedestrian crossings. Avoid jaywalking or using a handphone while crossing.
2. Remind your child to practise the kerb drill before crossing the road - "Look right, Look left, Look right again. Ensure that all vehicles have stopped. Raise your hand high up and cross the road briskly".

Safety in the vicinity of the School (Carline) – Advisory from LTA

1. Before dismissal, please refrain from queuing along the stretch after the signalised junction at Serangoon Avenue 3 and Lorong Chuan before the school gate opens at 1.40pm (Mondays to Thursdays) and 1.10pm (Fridays). The leftmost lane is marked with a continuous white zig-zag line before the zebra crossing. Vehicles are not allowed to park, wait or stop along the continuous white zig-zag line at all times. This would help prevent obstruction to left-turning vehicles and delay public bus operations.

Please exercise care and consideration by not waiting at these critical areas:

- i. 6 metres within a junction;
 - ii. 9 metres within a bus stop;
 - iii. Single white zig-zag line (zebra-controlled zone);
 - iv. On grass verge and footway; &
 - v. At any entrance or exit of any premises.
2. Do not violate traffic rules by driving recklessly or making illegal manoeuvres such as turning into the school from the outer lane(s) of the road.
 3. Do not to park and wait along the road and avoid arriving earlier to pick up your child/ward.

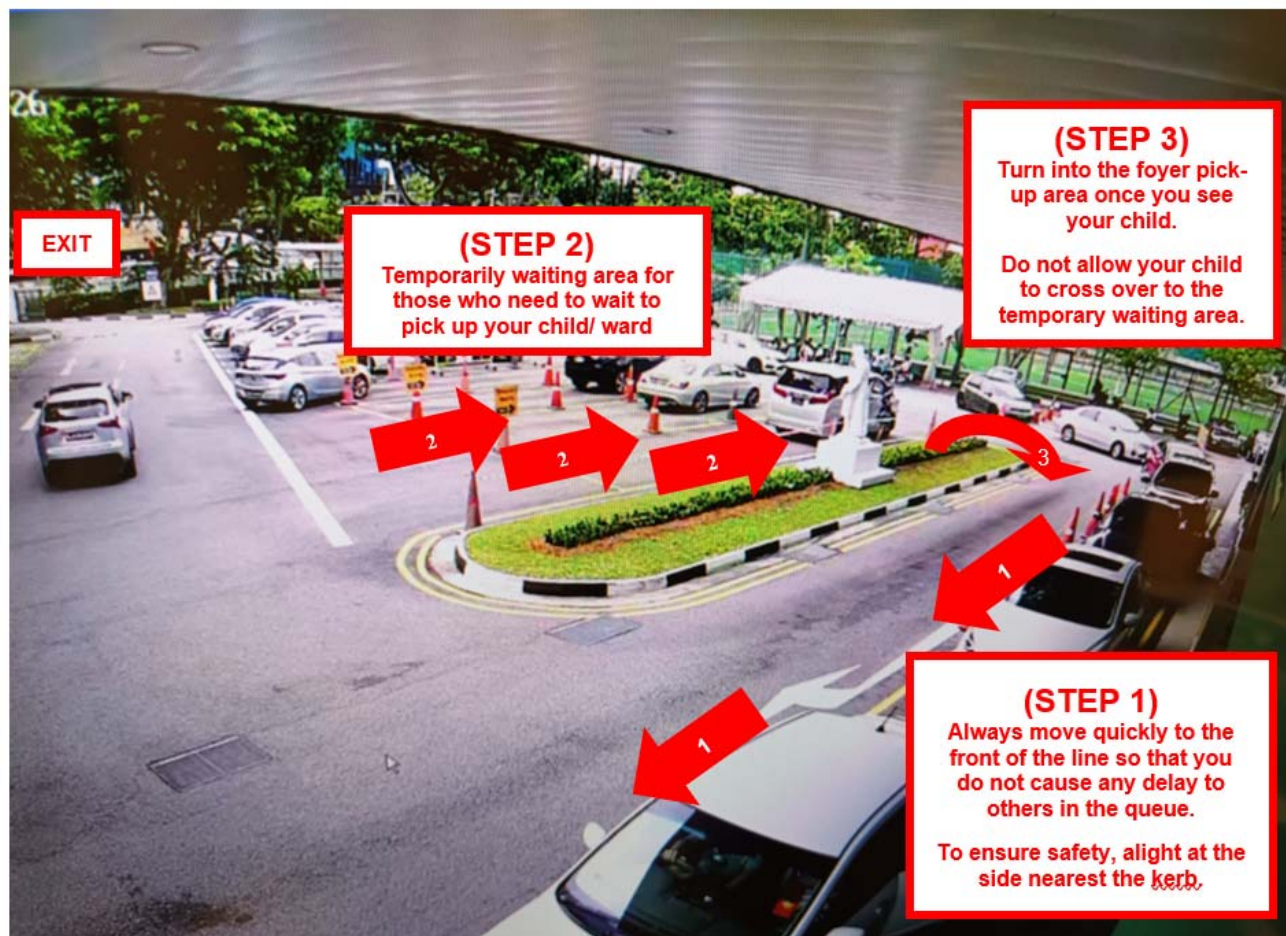

We sincerely seek your co-operation to please keep all the relevant person(s) in charge of your child's commuting arrangement informed of the above reminders.

Mrs Christina Tan
Vice Principal (Administration)

Focus of the Month: SGPS Goes Green

Focus of the Month – SGPS Goes Green

The Singapore Green Plan aims to develop sustainability in order to tackle climate change. This comprises of 5 pillars City in Nature, Sustainable Living, Energy Reset, Green Economy, Resilient Future. However, it can only be enabled by a Green Government and a Green Citizenry. Therefore, SGPS Goes Green initiative aims to educate Gabrielites of the Singapore Green Plan and the types of environment-friendly practices that they can adopt in their daily lives.

This will be done via termly activities aligned with key school events and classroom lessons.

	School Event	Items for Collection
Term 1	Total Defence Day	Plastic bottles & aluminium cans
Term 2	International Friendship Day	Recycled papers/cardboard
Term 3	Racial Harmony Day	Rubber shoes
Term 4	Preparation for SGPS Green Carnival (P6 Resilience Project)	Fruit peels

While it may be challenging for Gabrielites to pick up new habits that are environmentally-friendly, we believe that with resilience and a growth mindset, our students will be able to achieve this with the help of parents. Hence, we hope to harness the support of parents in this Green initiative to develop our Gabrielites to be socially responsible citizens.

Chinese New Year Celebration

As Chinese New Year is approaching, I would like to take this opportunity to wish everyone a happy and prosperous Chinese New Year on behalf of the school. May this new year bring all of us affluence in health and happiness.

The school will be celebrating Chinese New Year on **Friday, 20 January 2023**. To heighten the festive atmosphere, students are encouraged to be dressed their traditional Chinese costumes or a red shirt with school shorts and school shoes on that day.

Video Storytelling during Monday Reading Time (0715-0725)

As part of the school's initiative to promote bilingualism amongst our Gabrielites, the video storytelling programme has been introduced to our students in 2021. The programme has been well-received last year, thus we will be continuing with it this year.

Students can look forward to being transported to the world of stories through the videos screened every Monday morning. Videos shown will be in our four official languages with English subtitles.

Through this programme, we hope that our students will be able to gain a deeper understanding and appreciation of Singapore's unique multicultural heritage.

3. 2023 Semester 1 Attendance & Temperature Taking Exercise – Wed 11 Jan 2023

Schools are to conduct a once per semester Attendance & Temperature Taking Exercise (ATTE). The objectives of ATTE are:

- To maintain school's preparedness to re-activate the attendance and temperature-taking regime should the need arises, and
- To educate students to take personal responsibility for their own health and practice social responsibility.

The ATTE will be conducted on Wednesday, 11 January from 7.30 am to 7.45 am in their classrooms. Form Teachers will supervise the Exercise. All students are reminded to ensure a working thermometer before 11 January and to bring it to school on the day of Exercise.
